SILVYN® ADAPTER LS1/M25X1.5

Article No.: 55001310

Adapter;

Details

Benefits

- Metal screw caps protect against environmental influences when not plugged in. After screwing on, protection class IP 68 can be achieved for the connector.
- Plastic protective caps protect against dust. After clamping, protection class IP 20 can be achieved for the plug connection.
- Metal adapters replace the cap nut and allow the connection of a protective conduit system with M20 or M25 thread.
- Available for various designs of circular connectors.

Application

- For use with plug connections of the EPIC® POWER LS1 and EPIC® SIGNAL M23 series.

Notes

Unless specified otherwise, the product values shown are rated values at room temperature. You can receive additional values, such as tolerances, upon request if they are available and have been released for publication.

Photographs and graphics are not to scale and do not represent detailed images of the respective products.

If applicable, the prices are solid metal prices without additional charges and VAT. Sales only to business customers.
